IT SHOULD BE CHUCK AND ME!
NO, US!
SILENCE!!

SINCE THERE'LL BE NO PEACE UNTIL THIS IS RESOLVED, I'M GOING TO PICK TWO NAMES AT RANDOM FROM THE ROLE BOOK!

THAT'S NOT FAIR!

AND OUR JULIET IS...

VERONICA!

IT WAS MEANT TO BE!

AND ROMEO IS...

JUGHEAD JONES?!

EDITOR'S NOTEBOOK

Dear Archie Readers,

A few months ago I had asked you to write and let me know what your concerns about toxic waste are. I also wanted to know what you were doing to help solve this problem. Here are some suggestions and comments I received...

Tessa Rector, Seattle, WA: "I have my own ways of helping the environment. I walk a lot of places instead of using my family's car. I also recycle many cans."

Katie Cook, Saline, MI: "Spray cans that are used in our homes give off harmful chemicals. Old batteries leak chemicals into the ground and water. Recharge your batteries and don't use aerosol hairspray."

I've been poisoned!

T. Zacharias, Kelowna, BC: "Recycling, water conservation and reducing air pollution can all make a big difference, even if you're only one person. I hope in a small way I'm contributing to solving a big problem. This year for the holidays, we'll have a fake tree that we can reuse each year. Use reuseable wrapping paper. The funnies in the newspaper make great gift wraps, too!"

Martha Clark, Kissimmee, FL: "I want to thank you for all the great stories you do about the environment and all the support you show for the Earth. It really opened my eyes about recycling. Thanks to Archie and his friends, I'm a changed person. I'm sending you this picture in thanks and to show my support for the Earth."

I'd like to thank every one who wrote to "Against Toxic Waste." All of the letters I received showed great concern about the world we live in. It also showed a strong commitment on your part to get involved in protecting our environment.

ARCHIE'S CLUB NEWS *presents:*

How I spent my Summer Vacation

Thanks to everyone who wrote me about "HOW YOU SPENT YOUR SUMMER VACATION." I really enjoyed reading your letters. Anyway, as promised, here are some winners. Congrats! -the Vicster

1ST PRIZE $10.00

NEREA GIBSON
Wheaton, Maryland age 12

I spent most of my vacation working as a Junior counselor at my school's camp in Washington D.C. The kids had a lot of fun going on field trips and to Bay Ridge beach. The third week in August, my sister and I anxiously wondered where we were going on vacation because each year our parents plan a surprise trip. This year we went to Annapolis, Maryland. It was really fun. We walked by little shops and got shirts and other souvenirs and then went on a boat ride. That was my favorite part of the visit because the ocean looked clean and beautiful under the sun. Next we went to a terrace restaurant which I liked a lot because of the food. We went to the U.S. Naval Academy and left for home.

2ND PRIZE $5.00

NORA LEAH LOWINSKY
New York, New York

On the first day of my vacation my cousins from Los Angeles came to visit. They were the most troublesome kids I have ever seen. It was a very looooong two weeks. My parents sensed how stressed out I was, so they rented a cabin in the woods for one month to relax. It rained most of the time and I caught poison ivy on a nature walk! I never expected that I'd wish to go back to go to school during summer vacation!
